Certificate of conformity

Products

Tail Lift, adapted for ADR transport.

Foot control and warning light kit 23010TL

Warning light kit 23009TL

Cable for foot control and warning light 23095TL

Comment

We hereby certify that ADR adaptation of the above mentioned products and models complies with the design requirements of MSBFS:2022:3, Chapter 9.2 for the approval of vehicles EXII and EXIII, and may thus be considered to comply with requirements in Section 5.1.1. 5.1.1.6 in ECE R105

Certificate is only valid when the adaption is performed by the manufacturer.
